New Service for Small Businesses

San Francisco, California (November 30, _____) –Office Services, Inc., the supplier of office products for small businesses, today announced a unique new service for small businesses. For qualifying businesses, Office Services will automate the company's procedures for purchasing office products and supplies while providing the company various pricing option. The service will be of tremendous value to entrepreneurs, business professionals and small businesses.

"This shows our commitment to the small business market, and we believe this service will decrease a company's costs for office products and supplies by thousands of dollars a year," said David Hollender, President of Office Services, Inc. In order to take advantage of the service, companies can call (800) 555-6000.

Office Services, Inc. is a San Francisco based company whose mission is to provide office products to start-up and emerging businesses that are cost effective and of high quality. The company has 20 employees and has successfully developed other services. More information can be obtained by visiting the company's Web site at www.officeservices.com.
